

## Welcome

The staff and students invite you to visit our quality school to enquire about enrolment and inspect our facilities.

What does Clifton State High School offer? Please access our site to see the great curriculum offerings and the supportive approach to senior curriculum; especially in the work related areas such as traineeships which we provide.

Clifton is also part of the Beacon Foundation which is a not-for-profit organization that seeks to influence the attitudes and culture of Australians so that each young person develops an independent will to achieve personal success for themselves and their community. Read more about our school and access the link to the Beacon Foundation through this site.

I look forward to welcoming you to Clifton State High School in 2009.

Jan Schibrowski (Principal)
