

**CLIFTON STATE HIGH SCHOOL
RTO Provider No. 30265**

**NATIONALLY RECOGNISED
TRAINING**

**The How and The Why of VET
Student Information Booklet**

Clifton High School is a Registered Training Organisation (RTO) offering Certificate courses in Hospitality, Agriculture and Rural Operations.

The following provides students with the information needed during their Vocational Education and Training course of study. Students require ongoing access to this information as they will need to refer to it throughout their course.

It is important for students to know their rights and be familiar with the competencies to be attained for each qualification of study. A process of RPL (recognition of prior learning) can be applied to avoid duplication of learning and training. Appeal procedures exist for students who might disagree with competencies awarded.

The Australian Qualifications Framework (AQF)

All of the VET courses offered by this School lead to nationally recognised qualifications – a certificate (if all of the requirements of the qualification are completed) or a statement of attainment (for those parts that are successfully completed where the full qualification is not completed). This certificate/statement of attainment will be recognised in all eight states/territories in Australia. This is because Australia has a national qualifications framework called the Australian Qualifications Framework (AQF). There are 13 different types of qualifications that can be obtained. These are shown in the following diagram.

AQF QUALIFICATIONS

Source: Australian Qualifications Framework Second Edition January 2013

USI – Unique Student Identifier – From 1 January 2015, all students doing nationally recognised training need to have a Unique Student Identifier (USI). This includes students doing Vocational Education Training (VET) in schools.

A USI is a reference number made up of numbers and letters. It creates a secure online record of your nationally recognised training that you can access anytime and anywhere, and it's yours for life.

The **USI** is linked to the **National Vocational Education and Training (VET) Data Collection**, and this means an individual's nationally recognised training and qualifications gained anywhere in Australia, from different training organisations, will be kept all together.

The **USI** will:

- Link a student's **VET** achievements, regardless of where in Australia they did the course
- Let students easily access secure digital transcripts of their achievements (transcripts will be available from April 2016)
- Give students more control over their **VET** information

Your **VET** teacher will provide you with information about your **VET** qualification/s including an overview of the specific units of competency/modules in each, assessment requirements, vocational outcomes, etc.

The following qualifications are available for completion at this School:

Qualification code	Qualification title
MSF10122	Certificate I in Furnishing
MEM20413	Certificate II in Engineering Pathways (outside provider)
ACM20217	Certificate II in Horse Care (Year 12)
ACM20221	Certificate II in Horse Care (Year 11)
SIT20322	Certificate II in Hospitality
AHC32816	Certificate III in Rural Operations
AHC21216	Certificate II in Rural Operations
BSB30120	Certificate III in Business (outside provider)
ACM30817	Certificate III in Performance Horse (Year 12)
ACM30821	Certificate III in Horse Care (Year 11)
SIS30315	Certificate III in Fitness (outside provider)

1. Student selection, enrolment and induction/orientation procedures

Clifton State High School will provide each student with information about the training, assessment and support services they will receive, and about their rights and obligations (through the VET student induction session) before enrolment on the Student Data Capture System (SDCS).

USI Number – All students require a USI number before any VET qualification can be issued. To obtain a USI number students need to visit the website: **USI.gov.au** and apply for this number and then present the USI number to the school.

The **HOD Alternative Pathways** and associated **VET** teachers will induct all **VET** students with this handbook.

2. Qualification or accredited course information

Information pertaining to your qualification or accredited course can be sourced from course documentation provided by your **VET** teacher, subject specific information included in the Senior subject selection handbook (or similar document), through the **VET** student handbook and on the School website or intranet (if applicable).

Information available to students regarding course information will include:

- Qualification or VET accredited course code and title
- Packaging rule information as per the specified

Training Package or VET Accredited course

- Units of competency (code and title) to be delivered
- Entry requirements
- Fees and charges
- RTO guarantee information
- Course outcomes and pathways
- Work experience requirements (where applicable)
- Licensing requirements (where applicable)
- Partnership or off-campus arrangements (where applicable)

3. Marketing and advertising of course information

The School will ensure that its marketing and advertising of AQF qualifications to prospective students is ethical, accurate and consistent with its scope of registration. In the provision of information, no false or misleading comparisons are drawn with any other training organisation or training product.

The NRT logo will only be employed in accordance with its conditions of use.

The School will not advertise or market in any way VET accredited courses, qualifications or units of competency that are not on their scope of registration.

Clifton State High School will ensure it will have the appropriate human and physical resources to deliver and assess any course currently on the School's scope of registration. If the School loses access to these resources, the School will provide students with alternative opportunities to complete the course and the related qualification.

4. Legislative requirements

As an **RTO** the School will observe all Australian, State and Territory laws governing Vocational Education and Training. The School will also meet all legislative requirements of the National VET Regulator Act 2011, Education (General Provisions) Act 2006, Education (General Provision) Regulation 2006, Vocational Education, Training and Employment Act 2000, Education (Work Experience) Act 1996, Vocational Education and Training Act 2000, Education (Overseas Students) Act 1996, Child Protection Act 1999, Commission for Children and Young People Act 2000, Workplace Health and Safety Act 2011, Anti-Discrimination Act 1991, Disability Services Act 1992, Freedom of Information Act 1992 and Privacy Amended Act 2004 as they relate. If students require any further information, please see the **HOD Alternative Pathways**.

5. Fees and charges, including refund policy

The School does not charge students fees for **VET** services. Fees are only collected for consumable costs or other additional services such as the issuing of a replacement qualification testamur. Any fees and charges that do occur for additional services will be made known to students prior to enrolment.

Students who enrol past the commencement of the school year will be charged student fees at a pro-rata basis for the duration of the school year.

The School will refund on a pro-rata basis any fees collected for consumable costs to students who leave before completion of the **VET** service.

Matters regarding payment of fees or refund of fees will be managed by the School's Business Services Manager in accordance with the principles contained in the School's Fee Policy.

6. Student services

Clifton State High School will establish the needs of their students, and deliver services to meet their individual needs where applicable. All students at this School will have involvement with some or all of the following processes, designed to establish their educational needs:

- SET plans
- subject selection processes
- career guidance services

The provision of educational services will be monitored to ensure the School continues to cater for student needs through review of student Senior Education and Training (SET) plans, as needed. The School will also ensure that all students receive the services detailed in their agreement with the RTO.

The School will continually improve student services by collecting, analysing and acting on any relevant data collection through students providing valuable feedback to the RTO through informal and formal processes i.e. through individual student assessment feedback, course evaluation feedback, quality indicators — student engagement surveys and school-generated surveys (where applicable).

7. Student support, welfare and guidance services

Students have access to a wide range of support, welfare and guidance services at this School, including:

- VET teachers
- Industry Liaison Officer
- Principal
- HODs
- Deputy Principal
- Learning Support teachers
- Career Counsellor/Guidance Officer

8. Provision for language, literacy and numeracy assistance

If you are undertaking a VET subject, which has embedded units of competency from a training package, you will find that basic literacy/numeracy elements have been incorporated. This should help you learn these basic literacy/numeracy components more readily, as they are being delivered and assessed in the context of an industry vocational area of your choice. If you still feel you need additional language, literacy or numeracy support, please seek further advice from the HOD Alternate Pathways.

9. Access and Equity policy and procedure

The access and equity guidelines at Clifton State High School are designed to remove any barriers so that all students have the opportunity to gain skills, knowledge and experience through access to VET subjects.

This School is inclusive of all students regardless of sex, race, impairment or any other factor. Any matter relating to access and equity will be referred to the HOD Alternate Pathways, as the designated Access and Equity Officer.

Clifton State High School has written access and equity policies documents in the School VET Quality Manual and all staff receive copies which they must follow. Staff and students, in their induction to the School, are made aware of the School's Access and Equity policy, and that they may contact the Access and Equity Officer for information and/or support about the policy.

Access and Equity guidelines will be implemented through the following strategies:

- The School curriculum, while limited by the available human and physical resources, will provide for a choice of VET subject/s for all students

- Links with other providers, such as **TAFE** institutes will be considered where additional resources are required.
- Access to school-based apprenticeships and traineeships may be available to students
- Where possible, students will be provided with the opportunity to gain a full Certificate at AQF levels I, II or III (where applicable)
- Access to industry specific VET programs will be available to all students regardless of sex, gender or race.
- If the School loses access to either physical and/or human resources, the School will provide students with alternative opportunities to complete the course and the related qualification.

Discrimination occurs if a person treats someone differently on the basis of an attribute or characteristic such as gender, sexuality, race, pregnancy, physical or intellectual impairment, age, etc.

This School strives to meet the needs of each student through incorporating access and equity principles and practices which acknowledge the right of all students to equality of opportunity without discrimination.

For example, the following principles apply:

1. **VET** curriculum areas will be adequately resourced, with teachers with the appropriate qualifications, in order to ensure students have quality outcomes.
2. **VET** training and assessment will be in line with industry standards to ensure quality outcomes for students. As well, a variety of training/assessment methods will be used to cater for the ways in which students learn. Students with learning difficulties or impairment will participate with an initial and annual panel meeting with their parent/guardian and relevant School staff to ensure that the training and assessment provided meets their needs
3. All students will be actively encouraged to participate in VET qualifications, irrespective of background/cultural differences.
4. Prior to participating in structured work placement, students will be provided with an induction programme that will equip them with the knowledge to recognise harassment/discrimination should it occur and to ensure they have the strategies to deal with anything like this. Appropriate support will be provided to ensure students are successful in their work placement.
5. Literacy/numeracy is integrated throughout all VET qualifications, as well as being delivered separately through your English/literacy and Maths/numeracy programmes.
6. This School will openly value all students, irrespective of background/culture/other differences and all students will be made to feel valued through the delivery of appropriate training/assessment methods and support structures.
7. Any complaints in relation to discrimination/harassment will be treated seriously, in line with the School's Complaints and appeals policy.

10. Flexible learning and assessment procedures

The following represent the basic **VET** assessment principles of this School. They are designed to promote fairness and equity in assessment.

- All VET students at this School will be fully informed of the VET assessment procedures and requirements and will have the right to appeal
- Students will be given clear and timely information on assessment
- Information given to students, on the assessment cover sheet, will include:

- advice about the assessment methods
 - assessment procedures
 - the criteria against which they will be assessed
 - when and how they will receive feedback
- Students will sight their profile sheet of results in each VET subject on at least two occasions throughout a two year course
 - The assessment approach chosen will cater for the language, literacy and numeracy needs of students
 - Any special geographic, financial or social needs of students will be considered in the development and conduction of the assessment
 - Reasonable adjustment will be made to the assessment strategy to ensure equity for all students, while maintaining the integrity of the assessment outcomes
 - Opportunities for feedback and review of all aspects of assessment will be provided to students
 - A clearly documented mechanism for appeal against assessment processes and decisions is available to students in the School's **VET** Quality Manual. This is available from the HOD Alternate Pathways.

Your **VET** teacher will provide you with a thorough overview of the assessment requirements for your individual **VET** course. The following information, however, represents some general information about the **VET** assessment process adopted at Clifton State High School.

11. Competency based assessment

In order to be successful in gaining competency, students must demonstrate consistent application of knowledge and skill to the standard of performance required in the workplace. Students must be able to transfer and apply skills and knowledge to new situations and environments.

In most subjects assessment tasks are completed a number of times throughout the year. Results for each assessment item will be marked on a student profile sheet (or similar document) using terms such as Satisfactory or Unsatisfactory, or working towards competence. This assists students to become competent as their skills improve.

Final records of assessment of competencies will be awarded as either:

- **C** for Competent
- **NYC** for Not Yet Competent

Assessment methods

Each **VET** teacher will maintain a student profile (or similar document) for each student and on completion of the program of study an exit level will be awarded, based on the principles of assessment and rules of evidence.

Elements of competency will be assessed and recorded once the **VET** teacher is satisfied that a student has demonstrated consistent competency in an element or unit of competency. Students may also receive assessment if they apply for and meet the requirements for, Recognition of Prior Learning (**RPL**).

A master record detailing students' achievements of the units of competency is maintained at the **School on the Student Data Capture System (SDCS)**.

This will record all elements and units of competency achieved. This will be held by the School and will be issued to the student once they complete the program of study or upon exit (in line with the **QCAA SDCS** data entry timelines).

12. Student access to accurate records policy and procedures

Clifton State High School is committed to regularly providing students with information regarding their participation and progress.

VET teachers maintain accurate and current records of each student's progress towards and achievement of competencies. These records will be forwarded for entry on the School's SDCS prior to each of QCAA's advertised collection dates for data. The data recorded on the SDCS will be printed out and returned to the **VET** teacher and HOD for checking. Once approved as accurate, the SDCS Officer is notified to this effect.

When the student nears completion of the full qualification, the **VET** teacher then checks student achievements against the qualification packaging rules. When the student has achieved the requirements for completion of the qualification, the **SDCS** Officer is notified to check the "qualification complete" button for that student in that qualification. The data recorded on **SDCS** will be printed out and returned to the **VET** teacher and HOD for checking. Once approved as accurate, the **SDCS** officer is notified to this effect.

VET teachers will provide access to a student's own records at least once each semester, or on request by the student. Students may also be given access to "for checking" SDCS printouts from the **SDCS** officer. Students will also have access to information regarding any unit achieved through their own online learning account.

13. Confidentiality procedure

Information about a student, except as required by law or as required under the **VET Quality Framework**, is not disclosed without the student's written permission and that of their parent or guardian if the student is less than 18 years of age. The School will ensure they have consent from each VET student.

14. Employer contributing to learner's training and assessment

Wherever possible the School will place students in workplaces that provide experience in the competencies included in their **VET** qualifications. This School does not use assessment by work placement supervisors. Students on work placements may record their activities in a workplace experience logbook (or similar document). The work placement organiser/teacher will seek the cooperation of the workplace supervisor in the sign-off on the accuracy of the student's entries in the log. This logbook (or similar document) may be used by the assessor to support judgments of competency. Students at this School will be placed in workplaces where it forms a mandatory requirement of the Training Package or Accredited course.

15. Complaints and appeals procedures

Complaints and appeals are managed by the School in a fair, efficient and effective manner. The School will create an environment where student's views are valued. Complaints arise when a student is dissatisfied with an aspect of the school RTO's services, and requires action to be taken to resolve the matter. Appeals arise when a student is not satisfied with a decision that the school RTO has made. Appeals can relate to assessment decisions, but they can also relate to other decisions. Students with either a complaint or an appeal will have access to informal complaint process or a formal complaint or appeal process. All formal complaints or appeals will be heard and decided within 15 working days of the receipt of the written complaint by the School.

The **HOD Alternate Pathways** will keep a Register of complaints which documents all formal complaints and their resolution. Any substantiated complaints will be reviewed as part of the continuous improvement procedure.

Students with a complaint or appeal have access to both informal and formal procedures.

Informal complaint

- The initial stage of any complaint shall be for the complainant to communicate directly with the operational representative of the School, e.g. the VET teacher, who will make a decision and record the outcome of the complaint
- Person(s) dissatisfied with the outcome of the complaint to the teacher may then communicate the complaint to the HOD, who will make a decision in regards to proceeding with a formal complaint or appeal process
- person(s) dissatisfied with the outcome of the complaint may initiate a 'formal complaint' with the Deputy Principal

Formal complaint or appeal

- Formal complaints may only proceed after the informal complaint procedure has been finalised
- All formal complaints or appeals will go to the **HOD Alternate Pathways**
- The complaint or appeal and its outcome shall be recorded in writing through a **Complaints and Appeals Record form**
- On receipt of a formal complaint or appeal the HOD Alternate Pathways shall convene an independent panel to hear the complaint; this shall be the complaint and appeal "complaint committee"
- The complaint and appeal committee shall not have had previous involvement with the complaint or appeal, should include representatives of: the Principal, teaching staff and an independent person
- The student shall be given an opportunity to present their case to the committee and may be accompanied by one other person as support or as representation
- The relevant staff member shall be given an opportunity to present their case to the committee and may be accompanied by one other person as support or as representation
- The complaint and appeal committee will make a decision on the complaint
- The complaint and appeal committee will communicate its decision on the complaint to all parties in writing within five working days of making its decision.

If a student is still not satisfied, the Deputy Principal will refer them to the **Queensland Curriculum and Assessment Authority** appeals and complaint process www.qcaa.qld.

The School uses the Complaints and Appeals Register as invaluable data about aspects of the School's operations that could be improved.

16. Recognition arrangements for RPL and Credit Transfer

All VET students have access to a procedure that gives RPL or Credit Transfer at this School

Recognition of Prior Learning (RPL)

RPL is an assessment process that assesses an individual's level of knowledge and skills against individual or multiple units of competencies.

Recognition of prior learning policy

All students shall have access to, and will be offered **RPL**. All applications for **RPL** will be responded to once a written application has been received. The **HOD Alternate Pathways** will keep an **RPL** register which documents all **RPL** applications and their outcomes. Once the evidence has been provided to the School to assess **RPL**, the student will be notified of the decision. Students may have access to reassessment on appeal.

Recognition of prior learning procedure

Each year at the **VET** student induction, the **VET** teachers and the **HOD Alternate Pathways** shall make students aware of the School's RPL policy via the **VET** student handbook. The **HOD Alternate Pathways** will remind students of this policy at the beginning of each year and provide opportunities to engage in the **RPL** process.

VET students seeking **RPL**, will be:

- provided with a copy of a RPL application form by their relevant **VET** teacher
- provided sufficient information about the types of evidence that can be used to support an RPL application by the **VET** teacher e.g. resume, certificates, photos, references from supervisors, performance reviews or job descriptions
- required to provide a completed **RPL** application form and associated evidence to support the application
- able to appeal an **RPL** decision via the **RPL** student appeals form if unsuccessful

The **VET** teacher will:

- notify the student of their outcome from the RPL process
- develop and assess any alternative methods of assessment required as a result of an RPL application
- notify the student of any gap training required as a result of the review of their application
- update the student's records if RPL is granted upon consulting with the Teacher Aide

Credit transfer

Refers to the granting of credit to students of exact units of competency they have completed previously. Institutions or training organisations can grant credit to students for studies or training completed at the same or another institution or training organisation.

If a student believes that they fulfil these requirements they should approach their **VET** teacher first, who will bring it to the attention of the associated HOD Alternate Pathways. At the beginning of each course, the **VET** teacher will be responsible for ensuring that the students are informed of the RPL and Credit transfer procedures. **RPL** information and forms can be obtained from the **VET** teacher or **HOD Alternate Pathways**.

17. Recognition of AQF qualifications and statements of attainment issued by another RTO or school

The School recognises all AQF qualifications issued by any other RTO. The School will seek verification of the certification from the relevant RTO where there is some ambiguity.

Recognition of qualifications procedure

The **VET** teacher and the HOD Alternative Pathways will make students aware that any existing AQF qualifications or statements of attainment they possess will be recognised by the School during the VET student induction at the beginning of the year.

VET teachers will remind students of this policy at the beginning of each new term.

If a student presents an **AQF** qualification or statement of attainment to a **VET** teacher, the teacher will take a copy and bring it to the attention of the Teacher Aide.

The Teacher Aide in consultation with the **HOD Alternate Pathways** will verify the authenticity of the qualification or statement of attainment.

The verified copy of the qualifications or statement of attainment is placed in the student's file.

Once the qualifications or statement of attainment is verified, the VET teacher will give the student exemption for the units of competency identified in the qualifications or statement of attainment and update the students' records accordingly, information will then be entered in SDCS using the 'credit transfer' option.

Internal recognition of qualifications procedures

The school will complete a comprehensive mapping exercise (where relevant) to identify common units of competency across qualifications on the scope of registration

At the beginning of each year, those students who are enrolled in courses where there are common units of competency, or have progressed from Certificate 1 or Certificate 11 or 111 (where applicable) are identified

The **HOD Alternate pathways** and **VET teachers** will meet to establish the processes for delivery and assessment ensuring accurate data is recorded

This process is repeated throughout the year for students who change subjects

The information is entered into SDCS using the 'credit transfer' option in all instances where the student has already gained the unit of competency (i.e. the student may only once be deemed as competent).

18. Qualification and accredited course guarantee

A course guarantee is where the School gives a guarantee to the student that the RTO will complete the training once the student has started in their chosen qualification or accredited course (where applicable).

Students who enter a course after the start date have the opportunity to negotiate a package of units that will lead to a statement of attainment/s. This adjustment will be reflected in the **VET** Student Agreement form which will be signed by both the student and parent/guardian.

In the event of losing a specialist trainer, and **RTO** being unable to obtain a suitable replacement, Clifton state High School will arrange for agreed training and assessment to be completed through another RTO if this possible. (Fees may be incurred). Prior to the transfer to another **RTO**, affected students will be formally notified of the arrangements, and agreement to those arrangements, including any refund of fees will be obtained. If an external transfer is not possible, the RTO will gain a written agreement for a subject/course transfer within the School from the student and parent/guardian.

The School Senior Subject Selection Form (or similar documents), as well as any Subject transfer Form (or similar document) used by the school will include a disclaimer stating that by 'signing the form, they agree to all of the policies and procedures related to VET that are outlined in all School documentation pertaining to VET'.

When an enrolment form is received, the form is checked to ensure it has been signed by both the student and their parent/guardian.
