

Senior School Enrolment Agreement Yr 11 / 12

Agreed Aims and Expectations

Enrolment in Years 11 and 12 is subject to each student meeting the school's requirements in relation to participating in the program of study offered by the school and meeting acceptable standards of conduct, behaviour and dress as outlined in the school's Student Code of Conduct.

In Years 11 and 12, a more mature and responsible "partnership effort" must be negotiated and shared by students, their parents/carers and the school. The responsibilities of each party and their respective signatures signify an awareness of the educational aims and expectations of the school.

A sincere commitment to post-compulsory senior education is required from each student prior to enrolling in Year 11 or 12.
